## Navigating your Business through the Digital Storm

Switzerland was declared the most innovative country in the world in 2024, for the 14th consecutive year, according to the **Global Innovation Index (GII)** published by the World Intellectual Property Organization (WIPO).

In a world of rapid technological disruption and geopolitical uncertainty, businesses must be prepared to navigate the evolving cyber landscape. This is why we're bringing together top experts for the event

**Navigating your business through the digital storm. A cybersecurity roadmap for turbulent times.**

As Switzerland leads in innovation, the intersection of cybersecurity and technological advancement becomes increasingly crucial. This event will explore key topics such as:

- CCE-R IT & Cybersecurity Content-Oriented Working Group resolutions for the following year,
- A Swiss perspective regarding the cybersecurity landscape,
- New technology horizons in 2025: emerging technologies, cybersecurity threats, and innovation strategies.

**H. E. Massimo Baggi, the Ambassador of Switzerland, will be our guest of honour.**

Cybersecurity specialists from Switzerland will join us online to bring their valuable expertise.

**Our esteemed hosts will hold opening speeches:**

**Dr. Adriana Cioca**, CCE-R President

**Daniela Chrzanovski**, President & Founder Swiss Webacademy

**Featured speakers:**

**Quentin Ladetto**, Head of Technology Foresight, **Swiss Federal Department of Defence**

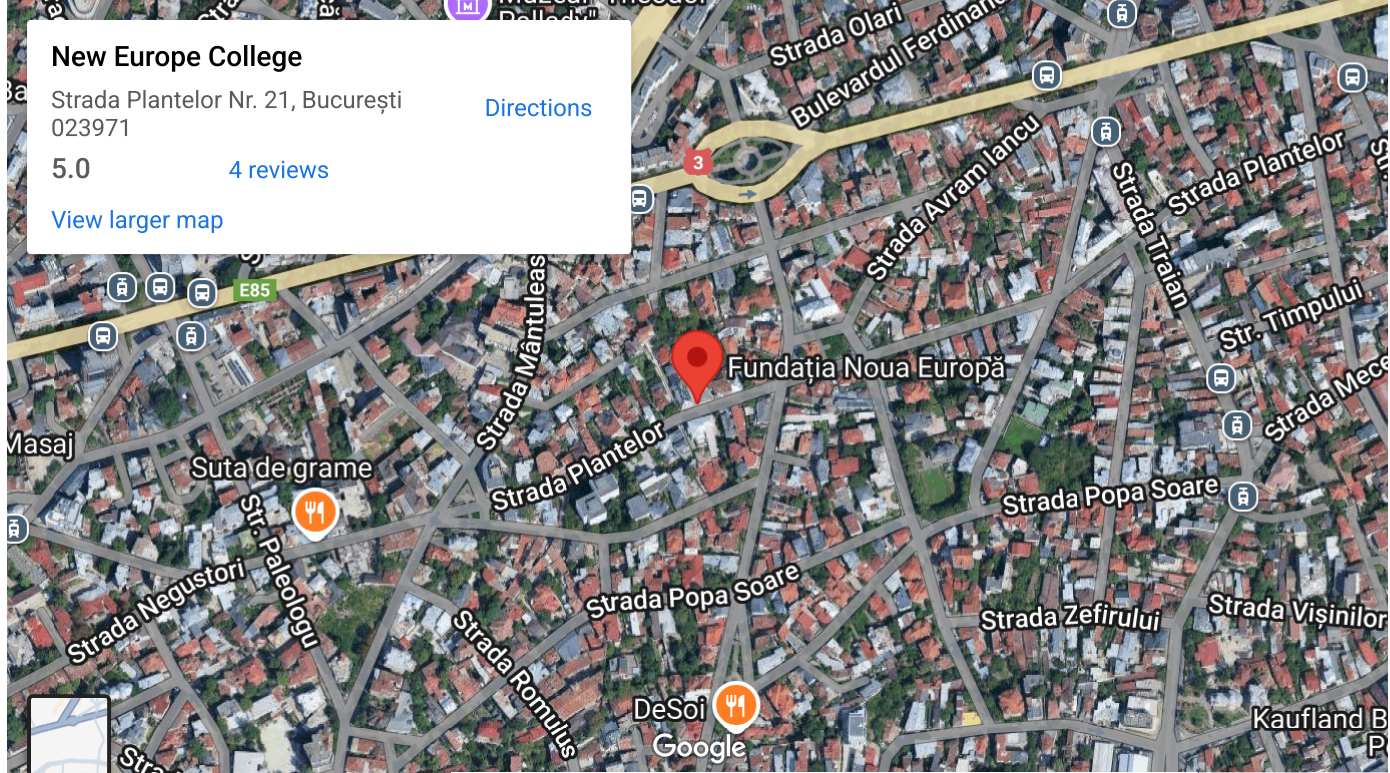

**Fraga Tariuc**, President, **Women4Cyber Romania**

**Moe Jame**, CEO, **Team Extension SRL** & Co-leader, CCE-R Content-Oriented Working Group

**Alexandru Puiu**, Co-CTO, **mindit.io**

**Amza Valentin Marius**, CEO, **Swiss Webacademy**

The Chamber of Commerce Switzerland – Romania (Camera de Comerț Elveția – România, CCE-R) was legally set up as a Romanian non-profit Association in December 2000 and has been active since then.
